

Product data

Art. No.	3182
EAN	4038437031829
Measures (WxHxT)	319 x 387 x 427 mm
Weight	6.9 kg
Power	AirFry: 1700 watt Steam: 800 watt
Voltage	220-240V, 50-60Hz
Packing unit	1

DESIGN STEAM AND AIRFRY

Steam & AirFry 700

- + Modern Steam and AirFryer with extra-large basket with 7 litre capacity – also for large portions such as whole fried chicken and up to 1.5 kg French fries
- + **Even power convection** – even heat distribution throughout the cooking chamber
- + **Rapid heat control** – immediately ready for use, no warming up required
- + Healthy, low fat preparation of all kinds of food thanks to the steam function – juicy on the inside, crispy on the outside
- + Large 1.4 litre water tank
- + Intuitive sensor touch control panel for easy operation
- + Transparent viewing window with switchable interior lighting – to monitor the cooking process
- + 3 in 1 AirFry:
 - AirFryer function (80° - 200 °C)
 - Steam function (100 °C mit Dampf)
 - AirFryer & steam function (140° - 200 °C)
- + Timer adjustable from 1 – 60 minutes with acoustic signal
- + 10 preset programs e.g.: airfry, bake, roast, reheat, steam airfry, steam bake, steam, steam cleaning, etc.
- + Easy cleaning thanks to removable water collection tray
