THE
LORD OF THE RINGS

THE DINING HALL

👁 This level houses the large dining hall of Barad-dûr™. Morannon Orc General Gothmog™ is there to oversee the preparation and serving of meals. In the field, Orcs may not get to eat on a regular basis, but here, the long dining table overflows with delicacies and drinks for the general and his men. A stew involving several questionable ingredients (and possibly a few familiar ones for good measure) simmers in a large cauldron suspended above the lava stove. A hidden compartment in the left wall contains secrets about the Rings of Power forged for the Elves.

"In the land of Mordor, the dark lord Sauron forged, in secret,
a master ring to control all others. And into this ring he
poured his cruelty, his malice and his will to dominate all life.
One Ring to Rule Them All." - Galadriel™

The hidden nook in the rocks hides the designs of the three rings given to the Elves.

Gothmog™ is the Witch-king's first lieutenant, most notable for leading the attack on Osgiliath and, immediately after that, the siege of Minas Tirith.
